Hofstede's New Improved Campaign Web Site Goes Live

New Content Details Diane's Accomplishments, Shared Vision & Priorities for the Next Term

MINNEAPOLIS - (Mar 4) -City Council Member Diane Hofstede (DFL-3rd Ward) today unveiled her new improved campaign web site- dianehofstede.com -featuring detailed information on Diane's accomplishments across two terms on the Minneapolis City Council and outlining her priorities for a third term.

The site comes on line as Diane's campaign shifts into high gear for the six-week run up to the DFL Caucus on Tuesday, April 16th.

"I love Minneapolis," Hofstede said. "I was born here, raised here, and for the past 8 years it's been my privilege to serve the Third Ward and my City as a Council Member. Experience matters. My web site documents much of my work during that time and outlines what I hope to accomplish in my next term. Our City is better than ever and by working together we can continue to make the Third Ward neighborhoods and the City thrive."

Hofstede continued:"I really hope people will spend time at the site to learn about my record in critical areas such as public safety, encouraging the construction of safe, affordable housing, managing our City finances, creating career, livable-wage jobs and economic development, renewing the Mississippi riverfront, and developing integrated, multimodal transportation options. These are the issues that are important to my constituents - and to every resident of Minneapolis."

In addition to the detailed policy information, visitors to dianehofstede.com can also learn more about Diane's background, connect to her campaign and volunteer and contribute on line.
